Subject: Publication of the 2019 SPRFMO IUU Vessel List

Dear Colleagues,

Pursuant to the recently adopted SPRFMO Conservation and Management Measure 04-2019 ([IUU Vessel List](#)), I am writing to transmit the attached 2019 SPRFMO IUU Vessel List. This List was adopted during the Seventh SPRFMO Commission Meeting, held from 23 to 27 January 2019, in the Hague, The Netherlands.

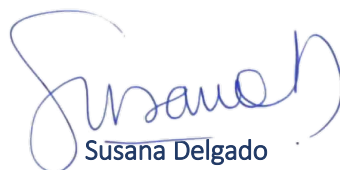

The IUU Vessel list is also posted on the SPRFMO website along with the IUU Lists of other RFMOs: <https://www.sprfmo.int/conservation-measures/iuu-lists/>.

We would appreciate if you could publicise the SPRFMO IUU Vessel List on your websites in order to help prevent, deter and eliminate IUU fishing.

For those interested, the full report for the Seventh SPRFMO Commission meeting is available at: <http://www.sprfmo.int/meetings/comm/7th-commission-2019/>

Thank you for your attention and we look forward to other opportunities to strengthen our cooperation.

Sincerely yours,

Susana Delgado

Coordination and Communications Officer

Summary of activities that justifies the inclusion of the vessel on the List, together with reference to all relevant documents informing of and evidencing those activities	Fishing in the SPRFMO Convention Area without authorisation (air photographs from New Zealand) and prolonged unauthorised presence in the SPRFMO Area (evidence from Chile).	Prolonged presence in the SPRFMO Area without authorisation and providing support to five authorised Peruvian trawlers according to evidence provided by Chile and Peru.	In response to information received through AIS data, the New Zealand Government deployed a surveillance aircraft on 21/2/2015 to the approximate location of the MYS MARI in the SPRFMO Convention Area to the east of the New Zealand EEZ. Photographic evidence was gathered which showed that the MYS MARI was fishing at the time. The MYS MARI had not been authorised to fish in the SPRFMO Convention Area by its flag State.
